Notes:

Squads will consist of up to 6 fencers.

Squad Trials will consist of pool matches to determine ranks - top 6 fencers get offered a squad position.

U19 squads will be selected first, followed by U16 then U14.

Squad Trials begin Monday Week 7. Please keep an eye on updates on the website.

Please have your personal fencing gear (mask, underplastron, jacket, breeches and glove) ready for tryout matches in week 7!

Fencers who aren't selected for Squad training will participate in Development training.

20 award scheme points still apply for Development fencers for full season participation.

Please see Mr Huynh in the Industrial Arts Staffroom if there are any issues or questions.
