Format:

The Foil Team Premiership is a round robin competition where each school provides up to 2 teams of each age category (U14, U16 and U19) to represent their school. Each school will fence the other schools' teams once in a round robin format via the organised fixtures. The 'A Team' fixtures are a separate pool from the 'B Team' fixtures and do not overlap. Victory Points will be awarded for match victories in the 'A Team' pool only and a tally is kept to determine the team premierships as well as the overall champion school. Separate medals for 1st, 2nd and 3rd place are awarded for both 'A Team' and 'B Team' pool results.

For further information on point scoring and format, please refer to the **NSWSFL Team Premiership Rules** document.

Please refer to the live Google Sheet link for any important updates to the schedule or fixture draw.

Director of Tournament:

The fixture draw has been painstakingly calculated and managed by Kevin Chen (SBHS). Kevin has also volunteered to take on the role of Director of Tournament for the NSW SFL Foil Team Premiership and will manage administrative operations on the day of every fixture. We plan to use Fencing Time to manage the fixtures and publish all results live on Fencing Time Live. Edwin Lapitan (SAC) and/or Dat Huynh (SBHS) will also be on hand to assist with DT and admin duties on the day.

Special notes for the 2025 season:

- Due to the growth of our program, we have managed to build a fixture schedule that allows up to 2 teams per age category.
- We have allocated 4 matches per fixture – one match per hour, starting at 8am and aim to conclude by 12pm.

Additional notes:

- Host schools are to supply 6 pistes and an indoor basketball court-sized space for each fixture. If a host school is unable to provide enough pistes, League schools may assist in bringing extra equipment – please communicate and collaborate ahead of time.
- All bouts are to 5 hits within a 2 minute time period. Tied scores will be resolved with the ‘Sudden Death’ rule. Please refer to the Rules document for more information.
- Please factor in enough time to complete all bouts at each fixture.
- Bouts can start earlier if both teams and referees are available and willing to proceed.
- All teams must arrive at least 30 minutes before the first match of the day (8am) to sign in with the DT, help set up the space and warm up.
- A match will be refereed by a member of the school that is not directly participating in the match.
- All teams must stay until the last match event concludes (we may need referees from schools who have byes).
- All schools must provide sufficient referees for the fixtures.
- For further information on rules, setup, format and scoring, please refer to the **NSWSFL Team Premiership Rules** document.

Entry Fee:

\$50 (ex GST) per team entry in the NSWSFL Foil Team Premiership program for the 2024 season. This fee helps to cover the cost of medals, admin (DT) and any miscellaneous expenses in the running of the NSWSFL Foil program. The fee will be invoiced to the member schools by the Manager of the NSWSFL Foil Program.

Opportunity for supporting parents:

Host school parents of fencers may choose to assist with providing food/snacks via a sausage sizzle or cake/food stall at their host venue. This opportunity can help build relationships between schools, raise money for the school’s respective fencing programs and keep hungry fencers fed.

SBHS will be hosting the final fixture with a sausage sizzle to celebrate the conclusion of the NSWSFL Foil Team Premiership season. A request for the number of attending guests from each school will be made closer to the date so that we can manage the catering for this event. More details will be provided closer to the date.
